

## **What some of our visitors have said about Coachman's Loft...**

### **Bethan R - 12 Sept 2018**

We have loved our stay at the Coachman's Loft. The property has been beautifully renovated to a high standard. It is very comfortable and includes everything you need. The area is beautiful and we could easily have stayed for another week as there is plenty to do. We particularly enjoyed visits to the local pub - The Fox and Hounds - and their Sunday roast beef is particularly recommended! Leyburn, the local town, has a good selection of shops.

#### **Owner's Response**

Thanks both for your kind review and we're really pleased you enjoyed your stay. Needless to say you are welcome back anytime and I'm sure that goes for the Fox as well.

### **Jane and Damien - 22 Aug 2018**

We stayed at the Coachman's Loft for a week at the end of August and thoroughly enjoyed it. Its situation is perfect - great views, walking distance to the lovely village with pubs, plus a weekly mobile fish and chip van. The accommodation was perfect for a couple and we were extremely comfortable. The owners, Steve and Carol were superb. Always there when needed for local knowledge and recommendations (and cakes!) but leaving us with enough privacy to really relax.

### **Dilys H.- 11 Aug 2018**

#### **Lovely clean and comfortable accommodation in the Yorkshire Dales.**

On our arrival we were welcomed by Carol & Steve with a cup of tea and a slice of delicious apple crumble cake. The Coachman's Loft is very comfortable and is conveniently placed for exploring the east side of the lovely Yorkshire Dales. We enjoyed visiting Hawes again and its attractions and our first ride on the Wensleydale Railway when we had time in between trains to see Bedale. Aysgarth falls is another beauty spot well worth a visit. The walk from Leyburn along Leyburn Shawl among the trees with its reward of glorious views of Wensleydale and round by Bolton Hall and Wensley is a must for those who like walking. The choice of many excellent places to eat out within a short walk or drive is amazing. We enjoyed breakfasts at Berrys farm shop and cafe in the next village and a delicious meal at the Wensleydale Heifer. The Street Head pub also do excellent food. There were many more we could have tried had we had the time! All combined made our stay a relaxing week away.

#### **Owner's Response**

Thank you Dilys and David for taking the time to write your review and such a lovely one too. You certainly got around the area a lot didn't you? We hope to see you back here again at some point. All the best from both of us. Steve and Carol

### **John and Corinne – 19 July 2018**

Just wanted to stay thank you for our stay in the loft. We thoroughly enjoyed every minute of our break and the Loft is gorgeous, with everything you need to have a warm and comfortable time. Thanks for booking our table at the Heifer, that was also amazing. It was lovely to meet you both and we hope to see you again in the future. Once again thanks for the lovely hospitality.

### **Kjersti & Stein – 13 July 2018**

We, a couple in our 60's, stayed in the Coachman's Loft for 10 days in July 2018 and we're happy to say we found this place very attractive. Nice location in the village with just some yards away from the local pub, village store and a nice restaurant.

The walled garden was surrounded by flowers and to sit out on the blue bench enjoying the afternoons listening to birds and sheeps, became rapidly a very good habit for us.

The cottage itself was a gem consisting everything you need for a pleasant stay and we found it very clean and tidy.

Steve & Carol made us feel at home from the first minute and to be welcomed by Carol's fresh baked scones was a very nice gesture.

They really know the area and they gave us many good suggestions for tours and hikes in the area and for us it worked out very well.

If you have to toss a coin to decide whether you shall book or not a stay in the Coachman's Loft, just forget it.

Book now!

### **Heather McC - 9th July 2018**

A lovely property in a quiet location in the small village of West Witton with lovely views across to the Dales. Well-equipped and comfortable, perfect for two people.

### **Heather McC - 17th June 2018**

A comfortable cottage for two people. Well equipped, lovely views over the Dales.

### **David G - 4th June 2018**

We thoroughly enjoyed our stay at Coachman's Loft and were made to feel very welcome by the owners.

### **ADELE C. - 13 May 2018**

**Excellent. Just what you need for your holiday stay.**

Steve & Carol were friendly and helpful. Refreshments provided on arrival. Lovely homemade cake made by Carol. Property had everything we needed. Wonderful views. Walking distance to 2 eating places. Plenty of information provided for activities etc. Lovely place to unwind. Would recommend this place to stay and will come back for another visit. Has been a 5\* star stay.

### **Owner's Response**

Thank you for your review, Adele and Andy. We are so glad you enjoyed your stay and you certainly had good weather. Thank you so much for taking the time to post a review and we hope to see you back here before too long.

**Robert T - 12th May 2018**

This is the best holiday cottage we've ever rented and the bed the most comfortable we've ever slept in. If we ever come to the dales again we would definitely choose to stay there. The owners, Carol and Steve are a lovely couple and the cake that Carol brought us was delicious. The bowl of fresh fruit on the table was a welcome gesture.

**Tina W. - 17 Jan 2018**

**Very comfortable accommodation finished to a high standard**

We stayed here over the New Year. It is a lovely property and is actually bigger than the pictures suggest. Very clean, comfortable and well equipped. Carol and Steve gave us a friendly welcome and made the place festive for our stay. It is ideally situated, just off the main road through West Witton, so only a short distance to the Fox and Hounds, which is a great, cosy, traditional pub. The Wensleydale Heifer is just a little further along the main road, which lived up to its reputation for good food. We would highly recommend this property.

**Michael S. - 11 Nov 2017**

**Lovely accommodation very clean and comfortable.**

Carol and Steve are very nice hosts, Carol's sponge and scones were very well received and enjoyed. We were shown round the loft on arrival and shown the workings of appliances. The information pack was there if needed, puzzles, games, books and information leaflets were all on site. The local pubs in the village both served food, one even served real ale from a local brewer. All together wonderful.

**Jacqui W. - 21 Oct 2017**

**A wonderful break in the delightful Yorkshire Dales**

What a pleasure to find such comfortable accommodation. The barn is cosy, warm and tastefully furnished and the bed was more comfy than ours at home! Everything you could need is provided, all in all it's a home from home. Carol and Steve made us so welcome and we were really appreciative of the bowl of fruit, the pot of tea and delicious cake on our arrival and the surprise treat of warm scones and jam one afternoon. We would certainly recommend Coachman's Loft and thank Carol and Steve for such an enjoyable stay.

**Owner's Response**

Hi Jacqui and Bruce, thank you for your very nice review and kind words. We enjoyed meeting you and hope you return to us soon Steve and Carol.

**Alan Raybould – 6 Sept 2017**

We stayed in the Loft for a week while we were combining house-hunting with a bit of leisure, and it was perfect for us - comfortable, well-equipped, great wifi and

extremely friendly hosts - Carol even brought us up some delicious home-made cake on two occasions! Unlike some holiday cottages/apartments, it felt here as though a lot of care and attention had been paid to the decor and the equipment, so we felt at home from the start. If you don't want to cook, there are a couple of pubs serving food in the village - one which is more of a restaurant, another that serves cheaper but hearty meals - and a fish and chip van turns up once a week! Ideal for the Dales, whether walking or driving. Highly recommended."

**Catherine R. - 11 Aug 2017**

**Comfortable accommodation awaits**

We had a fabulous stay at the barn conversion of Steve and Carol. The place is spacious, comfortable, tastefully fitted out and a real home away from home. It is in a great location, close to all amenities, tourist spots and offers a location for fabulous walks. Steve and Carol are thoughtful hosts who care about providing the best for their guests. We highly recommend this place and would happily return.

**Owner's Response**

Hi Catherine and Julian, thank you for taking the time to review our property. We hope to see you again in the not too distant future.

**Liz T. - 9 Jun 2017**

**Lovely home for our week's holiday**

Property is spacious, light and airy, well-furnished and equipped. Welcoming, friendly owners while not intruding on our privacy. Thankfully no requests to fill in a visitor's book! Beautiful area to explore on foot or with wheels.

**Derek C. - 2 Jun 2017**

**An exceptionally well presented and comfortable accommodation.**

The works undertaken to create the Coachman's Loft in this former Barn are of a very high standard, resulting in a well-considered and comfortable accommodation. The property enjoys interesting views over the well-kept garden and adjoining rooftops to the distant Yorkshire hills. We were warmly received on our arrival with tea and scones. As a retired married couple who put great emphasis on a comfortable quality bed this one was great! Thank you for the part you played in making our week's holiday so enjoyable.

**Owner's Response**

Hi Derek and Edna, thank you very much for taking the time to write such a lovely review about Coachman's Loft. We are pleased that you had an enjoyable break with us and we hope you enjoyed the rest of your holiday over in Cartmel. Hope to see you back here!! Steve and Carol

**Kev M. - 2 Nov 2016**

**Perfect place to stay for two people**

The Coachman's loft is a fabulous place to stay, home from home comforts, spotlessly clean, everything that you need and a great location for exploring the Dales. Carol and Steve are the perfect hosts, there if you need them for local knowledge advice but totally non-intrusive. The bottle of wine, fruit and welcoming cup of tea with home-made muffins were a real treat! All the locals are friendly and helpful, excellent food and drinks on the doorstep. Highly recommended for couples wanting to get away from it all.

#### **Owner's Response**

Thank you Lynne and Kev for taking the time to write such a positive review. Your feedback is important to us and is much appreciated. We hope to see you here again in the near future. All the best, Steve and Carol

#### **Alan and Jody - 22 Sep 2016**

Just a quick note to say thank you for all you done during our stay. The storage of the bikes was really great! We found the loft to be clean and well-appointed and the tea and cake on arrival was a real treat. With the location of the loft within West Witton we had no trouble in eating and drinking out! Also we found the location in the dales, ideal for exploring! We hope to make a return visit for a little longer next time!

#### **Mick B. - 13 Sep 2016**

##### **Ideal resting place in the Dales - well described**

We are just home from a very pleasant week in the Coachman's Loft where we were thoroughly spoiled by Steve and Carol. From the very warm welcome with Steve helping to unload the car while Carol made tea and produced a cake for us, to the pieces of delicious desert left on the worktop to welcome us back from an afternoon out. Ideally situated for the Fox and Hounds and a number of other hostelrys and restaurants. Certainly we can recommend the Coachman's Loft as a perfect to spend a quiet break - thank you Steve and Carol

#### **Owner's Response**

Thank you for this review. We really appreciate you taking the time to write it and very glad you enjoyed your holiday in the Loft and your time in Wensleydale and the surrounding area. Carol and Steve

#### **Bill and Fiona - 22 Aug 2016**

We just wanted to say how much we enjoyed our short stay in West Witton. The accommodation was first rate and we particularly appreciated the extra touches: the bottle of wine; the bowl of fruit and the tea and fresh scones on arrival. Topping all this, however, was your and Carol's friendliness and helpfulness.

#### **Gerben d. - 7 Aug 2016**

##### **Beautiful Yorkshire Dales**

It was our first time in the Yorkshire Dales and we were very lucky to have stayed in West Witton's Coachman's Loft, situated in lovely surroundings! Carol and Steve are really nice and generous owners and we were welcomed with a bottle of wine. The

loft is very nice and cozy and beautifully furnished. We really felt at home! The village is small and very pretty; the little shop is very near and the pub and the well-known Wensleydale Heifer restaurant are places to go to while staying here. We drove the James Herriot Tour which we liked a lot as it gives a good impression of the Yorkshire Dales and did some walking. The views are really nice!

#### **Owner's Response**

Thanks Gerben and Ineke for taking the time to review our accommodation. Glad you were comfortable in the loft and enjoyed your stay. Hope your daughter is settling in well in her new role. Carol and Steve

##### **Fabulous location, lovely hosts..**

Stayed at the barn for a long weekend of cycling in the Yorkshire Dales in training for our LEJOG adventure. The accommodation was perfect - well appointed, clean, comfortable and very relaxing. Location is perfect for those interested in cycling with some wonderful rides going straight from the front door! We also took a day off the bikes to go walking in the stunning scenery the Dales have to offer. The local pub, a two minute walk away, serves a fantastic selection of local beers (great recovery fluids!) which went down very well in a traditional local pub setting. Not to mention the Heifer, award winning local restaurant, just 5 minutes down the road. In summary a great location for anyone that enjoys spending time outside, enjoying the local food and drink in and being able to chill out and relax in lovely surroundings. We would definitely come back again. Thanks again to Steve and Carol. Lauren and Lisa

#### **Owner's Response**

Thank you for your kind comments. We are very pleased you enjoyed your stay and look forward to seeing you in the future. Also, pleased you achieved your cycling goals while you were here. It should hold you in good stead for LEJOG. Steve

#### **Dawn C. - 18 Jun 2016**

##### **Delightful**

Perfect for a couple looking to escape to a quiet, comfortable rural setting for a break. Several good hikes from the door, and with two pubs (one for great ale, one for great food) in the village it's hard to go wrong. The accommodation was clean, comfortable and well equipped. The hosts were welcoming and friendly, but non-intrusive. Happy to recommend and very likely to return.

#### **Owner's Response**

Thank you for taking the time to write a review, it's much appreciated. We love living here and enjoy receiving our guests. It's good to know that you enjoyed your time here. We look forward to welcoming you here again
